Our First Annual Giving Campaign

We are excited to launch the first annual giving campaign for the Morton Grove Public Library. This campaign is aimed at raising funds for our general operating fund, ensuring that MGPL continues to be a vibrant, welcoming place for all community members.

Why Your Support Matters

The Library is more than just the books on our shelves. At MGPL, we:

- Offer digital resources, download and streaming services, a Library of Things collection, and more
- Host educational programs, storytimes, and events for all ages
- Provide services such as passport services and license plate renewals. We also offer study rooms and other spaces to do work
- Maintain new initiatives like the Seed Library, Museum Passes, school outreach, and homebound delivery
- Support access to technology (computers, printing, scanning) and other learning tools

Your gift through this annual giving campaign will help us respond to emerging needs, expand collections, pilot new services, and more. Your generosity will help make it possible.

Ways to Give

- Online at mgpl.org/support
- Check made payable to "Morton Grove Public Library"

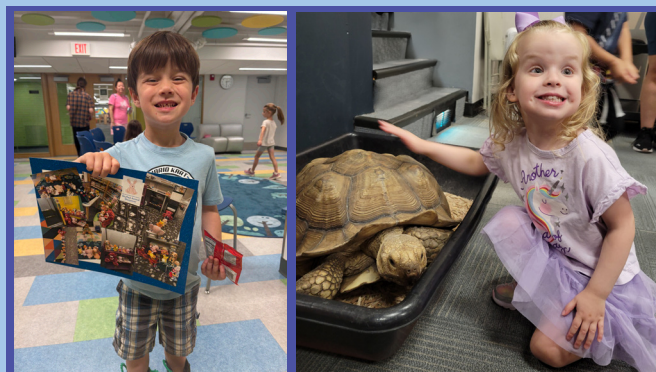

Are you, your trust, or business only able to donate to 501(c)(3) charitable organizations?

We have you covered! Though MGPL is not a 501(c)(3) charitable organization, we are still able to accept donations through the Illinois Library Association's "Fund for Illinois Libraries." The process is a bit different but easy to follow:

- Make checks payable to Illinois Library Association. Please write "Morton Grove Public Library" in the memo line.
- Send checks to:
Illinois Library Association
560 W. Washington Blvd., Ste 330
Chicago, IL 60661

All gifts are tax-deductible as permitted by law.

LIBRARY UPDATES

It's been another exciting year at MGPL! From great programs to new services, there's a lot to celebrate. Here are a few library updates and highlights from 2025.

Library Renovations Continue

In mid-October we started the next round of library renovations, this time focusing on the east side of the building. We gutted the multi-stall bathrooms, abated the asbestos in the mastic previously used for installation of carpet tiles, and started re-laying out the new bathrooms. We hope that by the time you receive this issue, the flooring has been laid on the east stairs leading down to the lower level and the carpet installed in the east entrance, up to the Info East Desk.

This will leave one last project for this round of renovations: recarpeting the Baxter Auditorium. This project is set to begin in January 2026 and will take up to four weeks. Because of this, the Baxter Auditorium will not be available for events. You may notice a lighter event calendar in January. Regularly scheduled events that take place in this room have been cancelled or moved online or to the Activity Room. Please check our online calendar for those details. For more information about the renovations and for updates throughout the project, go to mgpl.org/library-renovations.

Passport Services

The Library became an official passport acceptance facility in October 2024. Since then we have processed over 700 applications. Through this service we help submit your DS-11 form (for new passports) and verify required documents. We can take your passport photo too. For more information and to schedule your appointment, go to mgpl.org/passports.

New Trustee

At a special board meeting at the end of June, the Library Board appointed a new trustee to fill the seat of Trustee Laima Puzzo, who retired after seven years of service. We warmly welcome Iliana Gonzalez, whose term will run through April 2027. Learn more about our newest Board Member at mgpl.org.
